Directors message

Our pantomime this year is a little bit different - it still has all the magic ingredients of a traditional pantomime but the story takes some unexpected turns! We have had great fun rehearsing. The scenery and costume crew have been very inventive with their designs, and the musical director has worked overtime to produce some fabulous singing - well, that's my opinion anyway - hope you all agree at the end of the evening. I would like to thank everyone who has worked so hard to bring the show to life. It has been a brilliant team effort as usual, with many unsung heroes behind the scenes.

So sit back, enjoy the show, and make sure you join in!

We would like to thank:

The Paper Shop for acting as box office for tickets
All the advertisers who have supported the programme
All BJP members and friends who have helped with the production
RNIB Vocational College, Loughborough for all the printing

And also **our sponsors**:
