Beauty and the Beast

The Burton Joyce Players production of Beauty and the Beast brings a mixture of fun, music, drama and romance. Join in, boo, hiss and cheer as our story unfolds.

The action takes place in and around the mountain village of Paddling-in-the-Puddle somewhere in Panto land.

The Burton Joyce Players

The Burton Joyce Players stage three plays a year. We also have social evenings and arrange visits to other drama groups and plays.

We always welcome new members both on and off stage. If you would like more information on how to join, or would like to come to one of our social evenings please contact our secretary, Mary Brigham.
